

Green Room News

October, 2019

Hello Families!

We have been very busy continuing to work on our "I Am Special" project. The children have charted their eye color, made thumb prints, and answered questions about our families. The children have also been working on color and letter recognition, and sorting objects.

This month teachers will begin assessing children using the *Ages & Stages Questionnaire* (ASQ). Your child's attachment teacher will provide you with an ASQ form to complete with your child. The assessments will be used to inform goals and planning for your child. Please see your child's attachment teacher to set up a time to discuss monthly goals for your child.

REMINDERS!

Please have your child at school by 9:30 am. Families are allowed five late arrivals, before 11:30 am, per month. After the fifth late occurrence within a month your child will not be accepted for care.

Some children have the same articles of clothing and outerwear. Please label your child's belongings with their name or initials.

DCFS requires that food from outside of the Center may not be eaten by children while in the Center due to allergies and other restrictions. Please see teachers regarding foods for birthdays or other events!

Chuck E. Cheese Fundraiser: Friday, October 11 from 3 to 9 pm
Reba Early Learning Center CLOSED!: Friday, October 18 for teacher in-service training.

PLEASE SIGN UP TO TAKE "HENRY GREEN" HOME!

Thank you!
Travon, Selena, Cristina, and Leslie
